(Trail completed in 2020 by Jean-Ann Evers, Jacqueline Kurzfield, Claire Jacques and Hugo Trevorrow).

Town or Village Trail

Trail for 8-12 year old children walking around a local area, looking at history, architecture and other features of interest.

Always more fun to prepare with friends, but at the present time you could prepare one of these trails on your own.

Neighbourhood Trail

The newly introduced neighbourhood trail could be a particularly attractive one to begin with at this time. This is a trail which gives factual information as you walk around the neighbourhood, but has no questions and answers and could be designed for children or adults.

To get started on your own trail

Making a trail of discovery is a very rewarding experience. If you would like to get started, please think about which kind of trail you would like to design and then contact myself to find out more information and to register your interest

email: hugotrev@yahoo.com (Hugo Trevorrow)

Once Arts Society Truro is aware of your interest, you will then be able to register your proposed trail on the Arts Society website.

Memory Trail

A trail providing an activity for people living with dementia, with advice given by Healthcare Professionals on Appropriate wording to use.

These trails are designed to evoke memories and prompt conversation with family and/or carers. They also

Bespoke Trails

Designed for a school having children with learning difficulties.

Created with help from teachers so that the trail can take into account the learning capacity of the children involved.
