

# West Country Embroiderers exhibition of work in Truro Cathedral

Anyone who didn't manage to see the exhibition of work by the West Country Embroiderers group, in Truro Cathedral last month, missed a real treat. The group are celebrating their 50th Anniversary this year, and to celebrate, 165 members from Cornwall, Devon and Dorset took inspiration from the South West Coast Path and created snapshots of many of the places on the route.

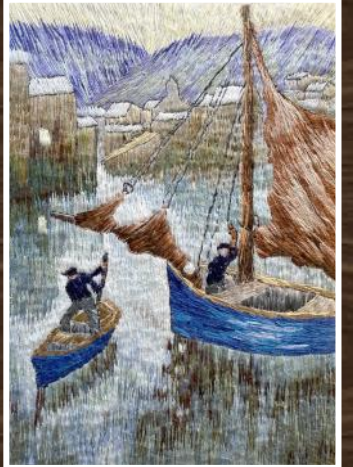

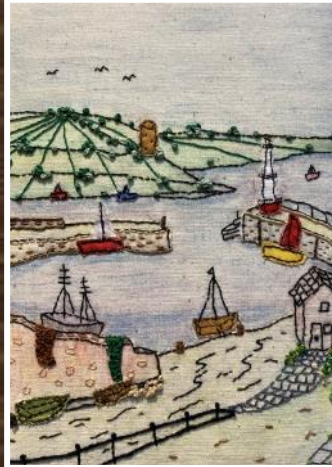

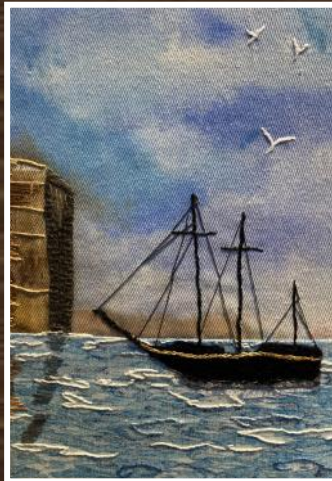

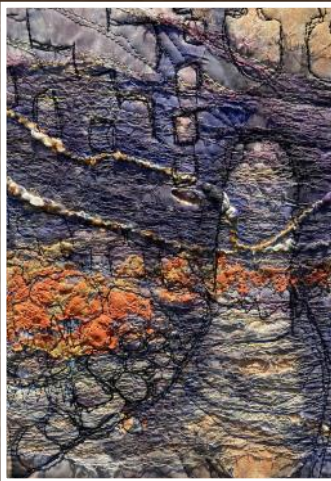

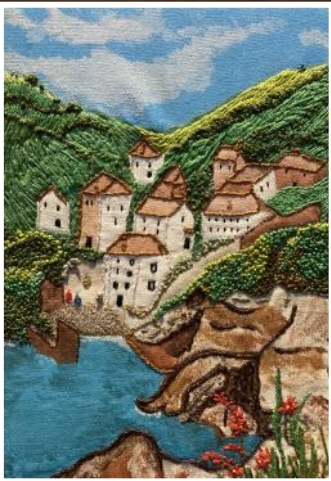

A selection of the Cornish display are shown here.
